Note from the Owners

Dear Members,

Your club is trending in the right direction because of your attention and efforts in adding new members. When we acquired the club on April 17, 2020, there were 143 members. The club now has 217 members spreading over all classes, except pool members. We expect to gather around 35 pool members for the season as well. However, pool members generally leave on Labor Day. We would like to encourage anyone considering a pool membership to give consideration of a social membership as it includes pool usage. Our job to grow the membership is far from done. We have a goal of 275 members for 2021. If we can achieve that number as well as increasing participation, we can start really make some needed upgrades. So, let us all bond together and build our membership up to our goal and beyond.

We have a lot of exciting upcoming events and tournaments and hope we can get as many of you involved as possible. It has the potential to be a fun year at The Brook. So, come out and enjoy the privilege of your membership.

Sincerely,
The Heater Brothers

Rules

New Local Rule to keep in mind:

The net on hole 7 is now deemed to be an integral part of the golf course and no relief is allowed under Rule 16.1.

Please keep in mind the **Wrong Green Rule (See 13.1f)**. Complete relief **MUST** be taken from wrong green. This means that if the wrong green physically interferes with the player's area of intended stance OR AREA OF INTENDED SWING then COMPLETE relief must be taken.

Local Rule

“When playing hole 7 or hole 16, if the player must take relief under Rule 13.1f because his or her ball came to rest on the putting green of hole 1 or hole 18 or that putting green interferes with his or her stance or area of intended swing:

• *In finding the relief area to be used when taking this relief, the putting green of hole 1 or hole 18 is defined to include the area of fairway within 5 club lengths from the edge of the putting green.*

• *This means that the nearest point of complete relief must avoid interference from this area in addition to the putting green.*

Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: General Penalty Under Rule 14.7a.

Greens & Grounds

Please be mindful of the roped off areas, we have done this to keep cart traffic away from greens and approaches to make chipping and pitching easier with hardier turf. Please use common sense and do not drive around the ropes, **USE THE CART PATH** where provided!

Many of the trees have been pruned throughout the winter to improve the quality of the turf under the tree and improve the health of the trees.

As the grass begins to thicken and grow taller, you will be noticing some new high grass natural areas, please do not drive carts in these areas. These area are designed to improve the aesthetic appeal of our golf course and increase difficulty.

We have completed spring aerification and the greens are healing on schedule. We will continue top dress the greens to promote a smooth putting surface.

As always, **PLEASE FILL YOUR DIVOTS & REPAIR ALL BALL MARKS!**
